EXPERIENCE

LaunchPad Lab

Developer [July 2014 - Present]

At LaunchPad, I do Rails development as well as some JavaScript and JS frameworks (Angular specifically) for many different web applications for a plethora of clients.

Sabon

Marketing & PR [Feb 2014 - May 2014]
Sales Associate [April 2012 - Feb 2014]

I developed new promotional strategies for bath products, designed relevant digital advertisements, and managed/interacted with customers through social media.

EDUCATION

The Starter League

Starter School [Sept 2013 - June 2014]

I took classes in web development, web design, UI/UX design, entrepreneurship, product development, and business.

CCPA at Roosevelt University

BFA in Musical Theatre [3.75 GPA]

Literally danced (and sang, and acted) my way through college. I took classes in acting, voice, dance, play analysis, song interpretation, and technical theatre.

OTHER

Computer Skills

Ruby on Rails, JavaScript, AngularJS, HTML, CSS, SCSS, 'eloquent' git commit messages
Adobe InDesign and Photoshop
Microsoft Office

Moonlights As...

Vocalist and keyboard player for local Chicago band The Fox and the Hounds, cosplay enthusiast, Star Wars/Harry Potter fan, and avid whiskey drinker
